Specification Sheet

1994 • VW LT35 Truck

For sale is this rare and eye-catching VW LT35 painted in Nato Green. Manufactured in 1994 (M registration) this truck is fully serviced and ready to roll. It's fitted with a 3500cc petrol engine, has 3 seats in the front and 3 in the rear. It's been fully upholstered in a beige industrial material and the rear cabin has pile carpet throughout as well as storage units in the roof of the van. It's only had two owners from new, the first being a prestigious Private Girls School in London who during that time covered a modest 72,000 miles in it. The current owner has been in possession since 2011 and has enjoyed driving it for around 1,000 miles. It has a fully-approved tow bar fitted with single electrics and it starts on the first turn of the key.
