## 1977 WESTFALIA • FULLY RESTORED

After having a full restoration not so long ago, Bertie is now looking for a new owner. He's a very high spec camper with lots cool of modifications. If you'd like to take a closer look, why not book a test drive, you won't be disappointed. Spec is as follows:

- Fully restored in 2014
- Sleeps 4 adults
- Rear seat belts
- All new upholstery
- Comes with a full camping interior including cooker, sink, fridge, 240v hook-up and charging systems
- Everything you need to go camping
- Heated front and rear windscreens
- All mechanics were replaced when he was restored, including: engine, gearbox and steering
- New automatic fire extinguisher kit
- New main battery
- 12 months' MOT
- 6 months' tax
- 3 months' full warranty
- Drives great
