

Specification Sheet

Danny the Danbury • 1972 • RHD

Danny was built in 1972 and restored by us 15 years ago. He needs a small amount of cosmetic work done (that can be carried out by us) but overall he's a very solid bus. Danny is now looking for a new owner, and with many great features, he's well worth looking at.

- tax exempt (so no road tax costs)
 - Original RHD Danbury conversion
 - New 1600cc engine (which has only covered around 6,000 miles)
 - New front axle
 - Rear seating that converts to a bed
 - Dormobile cooker under the seat
 - Full MOT
 - 12 months road tax
 - 3 months labour warranty
 - Drives great
- Danny is an ideal, reliable, entry-level right hand drive camper and is ready to go today.
