## Shirley the Westy • 1975 • LHD Campervan

Shirley the Westfalia was born 40 years ago in the USA and has had a great, accident-free life. These full width bed westys were only made for one year and are becoming extremely rare to find, even more so ones like this that have never been welded. Here's what Shirley has to offer:

- 1975 so will become tax exempt next year
- Mainly original paint
- Never been welded
- 2000i engine that has only covered 78k miles from new
- Full width bed with rear seat belts
- Late westy pop-top roof
- A interior and pop top that can sleep 4 adults and one small child
- Basic interior units
- Uncut dash
- Stereo, speakers and aerial
- New painted bumpers front and rear (rear one not fitted yet)
- Full MOT
- Ready to go today
