# Specification Sheet

## Robin, a show-standard 1978 LHD Westfalia

Robin the Westy was lovingly restored by us at VWDU three years ago to show standard, inside and out. This bus has only covered 373 miles since it was restored and has been garaged during that time. Whoever is lucky enough to own this van is going to enjoy a very high spec including:

- California-imported rust free shell
- Restored inside and out to show standard
- Brand new 2000cc engine and twin carbs, rolling road tuned
- All new steering and braking system
- All new suspension, lowered by 4"
- 17" Fuchs wheels
- Painted dash
- DVD player
- Full leather upholstery and door cards
- Full width rock and roll bed
- Custom curved seating
- Custom spot lights
- Custom overhead locker
- Captains swivel chair
- Custom table with inserted slate and bread stick cup holders
- Compressor fridge (never been used)
- Restored Westfalia pop top
- Fold out double bed in the roof with leather cushions
- Rear seat belts 2 x 3 point and one lap belt
- Custom roof rack to support a surf board
- Leisure battery and charger system
- Automatic fire extinguisher kit
- 12 months' MOT
- 6 months' tax, 6 months' warranty
